

CAPTURE

All your motion
detection needs.
Captured.

Grade 3 wired | wall mount

A security system is only as good as its ability to detect. Your reputation, your business, your future, and your customers' wellbeing, all depends on making the right choice of motion detection.

Texecom's new range of motion detectors, Capture, is our highest performing, most reliable, easiest to install range of detectors, ever. The Capture A20 is a Grade 3 wired wall mount detector featuring 20m dual technology quad PIR and K-band microwave sensing, combined with active-IR anti-masking protection.

A20 : 20m Anti-Masking Dual Tech

- 20m / 85° volumetric coverage
- Quad element pyro & K-band microwave detection
- Low Sensitivity / CloakWise / Dual Tech modes
- EN50131-2-4 Grade 3

Texecom

Outstanding catch performance

Texecom's design team started with the perfect optical geometry for motion sensing, and developed a beautiful minimalist low-profile design that celebrates, rather than hides, its optical prowess.

Compliant coverage

Unlike many other manufacturers, the entire coverage pattern is independently certified to EN50131-2.

Note: Coverage pattern differs when in Low Sensitivity mode.

Model	Part Number	Description	Mounting	EN Grade	Compliance	Options	Pyro	Microwave	Anti-Masking	Range	Coverage	Mounting Height	LED
A20	AKE-0001	20m Anti Mask Dual Tech	Wall	G3	EN50131-2-4	LW, CW, DT	Quad	•	•	20m	85°	1.5m - 3m	Tri-Colour

Options key : LW = Low Sensitivity mode CW = CloakWise mode DT = Dual Technology mode

Enhanced Grade 3 anti-masking

Texecom has been a pioneer in the field of using active infrared to offer independently accredited Grade 3 anti-masking devices. With Capture, Texecom's Grade 3 anti-masking technology has been significantly enhanced - redesigned, reengineered and reimagined to face tomorrow's security challenges.

Front-loaded fully sealed electronics

Flexible mounting points

Adjustable terminal block

Selectable CloakWise & Dual Tech modes

Install in seconds

Speed up your installations and spend less time installing devices. Capture has been designed with the installer in mind and includes a host of installer friendly features, making installation and commissioning a doddle.

Applications

Capture motion detectors excel in a wide variety of professional security applications.

Banking & Finance

Utilities & Energy

Museums & Galleries
