

EU Declaration of Conformity (EN)

We,
Eaton Electrical Products Limited,
Llantarnam Park,
Cwmbran, South Wales,
NP44 3AW, UK
Web: www.eaton.com
E-mail: firecustomerservice@eaton.com
Tel: +44 (0) 1302 303 303

declare under our sole responsibility that the product (s) (family)

RoLP LX Wall Base

Manufactured at the following site:

Eaton Electrical Products Limited, Llantarnam Park, Cwmbran, South Wales, NP44 3AW, UK.

for use in Fire Detection and Fire Alarm Systems, provided that it is installed, maintained and used in the application intended for, with respect to the relevant manufacturers instructions, installation standards and “good engineering practices”

complies with the provisions of Council directive(s):

2014/30 EU EMC Directive
EU 2015/863 RoHS

based on compliance with European standard(s):

BS EN 50130-4:2011 + 2014

Alarm systems Electromagnetic compatibility. Product family standard: Immunity requirements for components of fire, intruder, hold up, CCTV, access control and social alarm systems.

BS EN IEC 61000-6-3:2021

Electromagnetic compatibility (EMC). Generic standards – emission standard for equipment in residential environments.

BS EN IEC 63000:2018

Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

Mr. Luke Evans
Technical Director

E-mail: firecustomerservice@eaton.com
Tel: +44 (0) 1302 303 303

декларираме на наша лична отговорност, че продуктът(ите) (семејство)

RoLP LX Wall Base

Произведено в следния обект:

Eaton Electrical Products Limited, Llantarnam Park, Cwmbran, South Wales, NP44 3AW, UK.

за използване в системи за откриване на пожар и пожароизвестяване, при условие че е инсталиран, поддържан и използван в приложението, предназначено за, по отношение на съответните инструкции на производителя, стандарти за инсталиране и „добри инженерни практики“

отговаря на разпоредбите на директива(и) на Съвета:

2014/30 EU EMC Directive
EU 2015/863 RoHS

въз основа на съответствие с европейски стандарт(и):

BS EN 50130-4:2011 + 2014

Alarm systems Electromagnetic compatibility. Product family standard: Immunity requirements for components of fire, intruder, hold up, CCTV, access control and social alarm systems.

BS EN IEC 61000-6-3:2021

Electromagnetic compatibility (EMC). Generic standards – emission standard for equipment in residential environments.

BS EN IEC 63000:2018

Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

oświadczamy na naszą wyłączną odpowiedzialność, że produkt(y) (rodzina)

RoLP LX Wall Base

Wyprodukowano w następującym miejscu:

Eaton Electrical Products Limited, Llantarnam Park, Cwmbran, South Wales, NP44 3AW, UK.

do użytku w systemach wykrywania i sygnalizacji pożaru, pod warunkiem, że jest instalowany, konserwowany i używany zgodnie z przeznaczeniem, zgodnie z odpowiednimi instrukcjami producenta, normami instalacyjnymi i „dobre praktyki inżynierskie”

jest zgodny z postanowieniami dyrektyw Rady:

2014/30 EU EMC Directive
EU 2015/863 RoHS

w oparciu o zgodność z normami europejskimi:

BS EN 50130-4:2011 + 2014

Alarm systems Electromagnetic compatibility. Product family standard: Immunity requirements for components of fire, intruder, hold up, CCTV, access control and social alarm systems.

BS EN IEC 61000-6-3:2021

Electromagnetic compatibility (EMC). Generic standards – emission standard for equipment in residential environments.

BS EN IEC 63000:2018

Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

E-mail: firecustomerservice@eaton.com
Tel: +44 (0) 1633 628 500

vyhlasujeme na našu výhradnú zodpovednosť, že produkt(y) (rodina)

RoLP LX Wall Base

Vyrobené na nasledujúcom mieste:

Eaton Electrical Products Limited, Llantarnam Park, Cwmbran, South Wales, NP44 3AW, UK.

na použitie v systémoch hlásenia požiaru a požiarnej signalizácie za predpokladu, že je nainštalovaný, udržiavaný a používaný v aplikácii určenej pre, s ohľadom na príslušné pokyny výrobcu, inštalčné normy a "dobré inžinierske postupy"

je v súlade s ustanoveniami smernice Rady:

2014/30 EU EMC Directive
EU 2015/863 RoHS

na základe zhody s európskymi normami:

BS EN 50130-4:2011 + 2014

Alarm systems Electromagnetic compatibility. Product family standard: Immunity requirements for components of fire, intruder, hold up, CCTV, access control and social alarm systems.

BS EN IEC 61000-6-3:2021

Electromagnetic compatibility (EMC). Generic standards – emission standard for equipment in residential environments.

BS EN IEC 63000:2018

Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.
